

BLAKESLEY

PRE-SCHOOL

Blakesley Pre-School is recruiting for a Chairperson

This voluntary role is vital for the running of this small, rural preschool and would suit someone willing to dedicate some of their time to chair the committee of this voluntary, committee run charity. The committee are tasked with hiring and HR, setting prices, raising funds, marketing, liaising with local bodies, and everything that you would expect to run a business. That also means that without a committee there would be no preschool!

There is no need for an immediate connection to the preschool however experience in teaching / early years would be really helpful. Other skills which you may have to offer may include knowledge of HR and employment, financial planning, marketing, experience of running a business, knowledge of the local area, passion for fundraising, or an interest in a community resource or early years.

These skills are not a requirement – what is required is just a willingness to dedicate time to the running of this invaluable community resource that gives our children in the local area a wonderful start in life.

If you are interested or would like further information in relation to this Chairperson's post please:

-email Vicky on victoria.j.rogers@hotmail.co.uk

-phone on 07921 856967

Further information about the Pre-School can also be found on;

www.blakesleypreschool.co.uk

In addition to the above position, the Pre-School is always looking to recruit general committee members. Again, there is no requirement for an existing connection to the preschool, just a willingness to dedicate some time. Please contact us using the above information if you are interested. Thank you!
